

Sub- Registration of our company in your approved list of transport contactors

We at Classic Cargo Carriers take immense pride in our status as pioneer in the Indian Transport Industry since last **10 years**.

“Classic” is the leading transport organization with fleet of Tempos, Trucks and Trailers and built with the strong network across India at all the main stations.

Backed by the experience since 1985, we have the knowledge, expertise, confidence and infrastructure to cater to the ever changing requirements of our esteemed clients. **“Classic”** is equipped with the well experience human resources and latest technology of transport service. We are also specialized in carrying shipping containers of every type 20', 40', Normal, High Cube, Flat Rack, flexi, Tank Containers and Air Cargo.

We have gained a respectable position in the market owing to our expertise in serving our clients in the best way possible. Over the years, some of the important attributes that have helped us to become distinct from our counterpart are enlisted below:

- Timeliness in execution of the services
- Qualitative out sourcing
- Strong business associations
- Experienced team of professionals
- Professional approach
- **Daily updates of vehicles in transit**

Our people are the backbone of our mission **“More Services, Better Services”**. A highly motivated and result-oriented team plans, organizes and co-ordinates total responsibility for Project Cargo Transportation.

“Classic” is one of the few transport companies with total expertise, experience and resources to handle and transport **Over-Dimensional** as well as shipping containers of every type Normal, High Cube, Flat Rack, Tank Containers and Air Cargo.

We have perfect solutions for every type of cargo of any weight or volume to be transported.
